

# Roadmap

## **We have:**

### **-OOAD:**

- Analysis class diagram
- Entity relationship diagram

### **-Programming:**

- GUI template

## **We need:**

### **-OOAD:**

- Design class diagram
- State machine diagram
- Instructions
- Javadocs
- Handover report

### **-Programming:**

- Complete GUI
- Complete back-end functionality
- Complete database
- Extended functionality with other teams
- Final source code

## **Sprint 0:**

- Analysis class diagram
- Entity relationship diagram
- GUI template

## **Sprint 1:**

- Complete Database
- Complete GUI

## **Sprint 2:**

- Complete back-end functionality
- Extended functionality with other teams

## **Sprint 3:**

- State machine diagram
- Testing
- Final source code

## **Sprint 4:**

- Instructions
- Javadocs
- Handover report
